

# MANTHAN 2019-20

“We Nurture Quality” with this motto, AKS forum organizes various events and fest for the undergraduate management students every year to provide and facilitate them with a platform to grow, develop and enhance their skills and talents along with the curriculum. MANTHAN '20 under the umbrella of AKS host various co- curricular or extra- curricular activities like Business plan, Business Quiz, Dance Competition ,Rangoli Making, Singing, Band war, Sketching, Sports Activities etc. Forum also conducts Industrial visits, Guest lectures, Debates, in house management games, so that students get constant course engagement to brush their knowledge and gain industrial insights and prepare themselves for better exposure.

## **Objective of the Forum**

To imbibe the practical learning, managing various chores, keeping economic counts, dealing with adversities, taking calculative decisions etc are the motive behind engaging students in co-curricular and extra- curricular activities through this forum. Throughout the year students participate in various activities so that they can get the hands-on experience of the concepts that they are learning in their course.

# **Category of Activities**
